COMMONWEALTH OF VIRGINIA

STATE CORPORATION COMMISSION

AT RICHMOND, JANUARY 20, 1999

APPLICATION OF

BELL ATLANTIC-VIRGINIA, INC.

CASE NO. PUC980194

To implement extended local  
service from its Richmond  
exchange to its Goochland  
exchange

ORDER PRESCRIBING NOTICE

On December 16, 1998, Bell Atlantic-Virginia, Inc. ("BA-VA" or "the Company") filed an application with the State Corporation Commission ("Commission") pursuant to the provisions of § 56-484.2 of the Code of Virginia. BA-VA proposed to notify its Richmond exchange subscribers of the increases in monthly rates that would be necessary to extend their local service to include the Goochland exchange. The application states that telephone subscribers in BA-VA's Goochland exchange had earlier petitioned the Commission for local calling to Richmond. Using a cost study prepared by BA-VA, the Commission determined the increase in monthly rates that would result from the expansion of the Goochland local service area to include Richmond. Subscribers in the Goochland exchange were polled regarding their willingness to pay higher rates for local calling to Richmond. The majority of those responding supported the proposal.

Cost studies have been conducted to determine the monthly rates for expanded local service from Richmond to the Goochland exchange. Because the resulting increase does not exceed 5% of the existing monthly one-party residential flat rate for Richmond subscribers, a poll of those subscribers is not required by § 56-484.2.

NOW, having considered BA-VA's application, BA-VA's proposed public notice, and applicable law, the Commission is of the opinion that this matter should be docketed; that BA-VA should give notice to its customers in the Richmond exchange of this application; and those subscribers should be permitted to file comments and requests for hearing on this application. Accordingly,

IT IS THEREFORE ORDERED THAT:

- (1) This matter is docketed and assigned Case No. PUC980194.
- (2) On or before March 17, 1999, BA-VA customers who may be affected by this proposal may file with the Clerk of the Commission written comments or requests for hearing about this application. Any corporation shall be represented by counsel in accordance with Rule 4:8 of the Commission's Rules of Practice and Procedure and shall file an original and fifteen (15) copies of any comment or request for hearing on or before the deadline. Individuals may file single copies. All comments or requests for hearing shall be filed with Joel H. Peck, Clerk, State

Corporation Commission, c/o Document Control Center, P.O. Box 2118, Richmond, Virginia 23218; and shall refer to Case No. PUC980194.

(3) A copy of this order and the application shall be made available for public inspection at the Commission's Document Control Center located on the first floor of the Tyler Building, 1300 East Main Street, Richmond, Virginia 23219, from 8:15 a.m. to 5:00 p.m., Monday through Friday.

(4) On or before February 15, 1999, BA-VA publish the following notice twice as display advertising (not classified advertising) in newspapers of general circulation in the Richmond exchange.

NOTICE THAT BELL ATLANTIC-VIRGINIA, INC.  
PROPOSES TO EXPAND THE LOCAL SERVICE AREA OF  
THE RICHMOND EXCHANGE TO INCLUDE THE  
GOOCHLAND EXCHANGE - CASE NO. PUC980194

Telephone subscribers in Bell Atlantic-Virginia's ("BA-VA") Goochland exchange petitioned the Virginia State Corporation Commission ("Commission") for local calling to the Richmond exchange. (Please refer to page 16 of Bell Atlantic's Greater Richmond White Page Directory for a list of the telephone numbers included in the Richmond exchange.) Subscribers in the Goochland exchange were polled regarding their willingness to pay an increase in monthly rates for local calling to the Richmond exchange. The majority of those customers responding in the Goochland exchange supported this expansion of local service.

Based on BA-VA's cost, the Commission determined the monthly rates for expanded

local service for Richmond customers to call the Goochland exchange (telephone numbers beginning with 804-556). For expanded local calling to Goochland from Richmond, monthly rates would increase as follows: flat rate residential service, \$0.02; residential message rate service, \$0.01; residential measured rate service, \$0.00; residential economy message service, \$0.01; residential economy measured service, \$0.00; residential exchange only service, \$0.00; business flat rate service \$0.08; business message rate lines or trunks, \$0.02; business measured rate lines or trunks, \$0.00; and flat rate PBX trunks, \$0.13.

Customers whose rates are not listed above or who desire more information on this proposed change should contact BA-VA's customer service center. Residential customers should call 954-6222 and businesses should call 954-6888. Copies of BA-VA's application may be reviewed at the Commission's Document Control Center located on the first floor of the Tyler Building, 1300 East Main Street, Richmond, Virginia 23219.

Customers wishing to comment on the proposed change to their local calling area or to request a hearing on the application may do so by filing such requests or comments in writing, referring to Case No. PUC980194, with the Clerk of the Commission, Joel H. Peck, c/o Document Control Center, P.O. Box 2118, Richmond, Virginia 23218, on or before March 17, 1999.

If the Commission receives objections or requests for hearing from the lesser of 5% or 150 of the Richmond exchange customers, it may consider BA-VA's application without a hearing.

BELL ATLANTIC-VIRGINIA, INC.

(5) On or before March 17, 1999, BA-VA provide proof of the notice required above.

(6) If the Commission receives objections or requests for hearing from the lesser of 5% or 150 of the Richmond exchange customers, it may consider BA-VA's application without a hearing.

(7) On or before March 31, 1999, the Division of Communications shall file a report with the Commission on the number of objections to the proposal.
